

# BIOLOGY ECOLOGICAL

## Biology Ecological (Biology-E) Subject Test Breakdown

## AP Biology Course

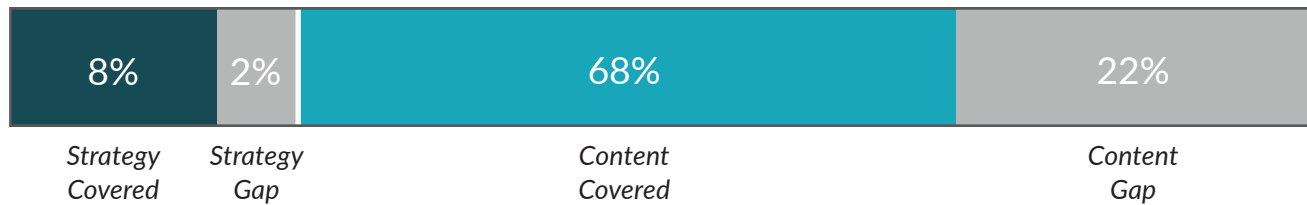

### Strategy Gaps

- Pacing
- Guessing penalty
- Deciding between Molecular and Ecological Emphasis

### Content Gaps

- Greater depth in topics tested on Ecological Emphasis section
- SAT-specific content on organismal biology (plants, fungi, specific animal phyla, etc.)
- Vocabulary gaps in cell division and embryonic development

## IB Biology (SL) Course

### Strategy Gaps

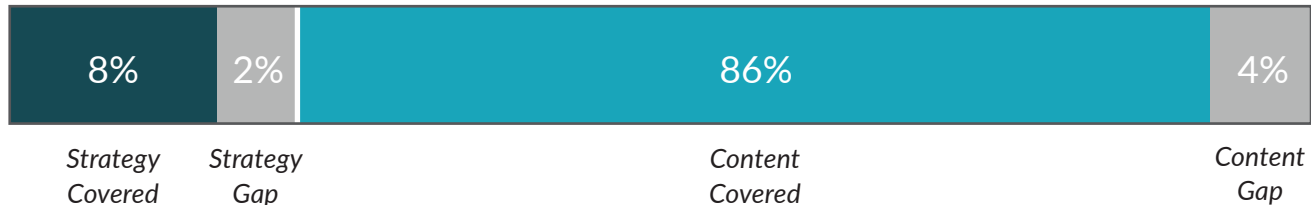

- Pacing
- Guessing penalty

### Content Gaps

- Greater depth tested in all topics, especially molecular biology and genetics
- Lab design
