

BIOLOGY MOLECULAR

Biology Molecular (Biology-M) Subject Test Breakdown

AP Biology Course

Strategy Gaps

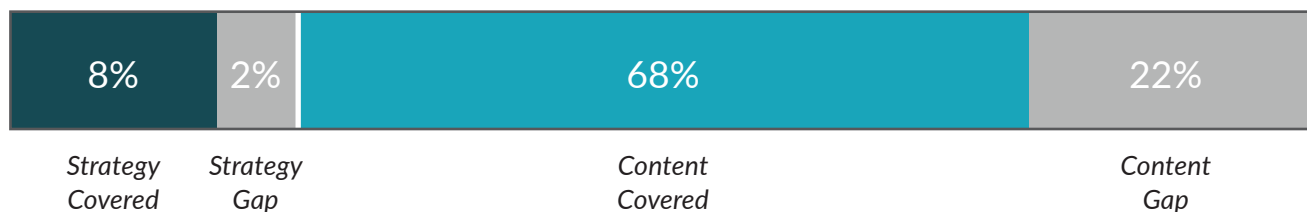

- Pacing
- Guessing penalty
- Deciding between Molecular and Ecological Emphasis

Content Gaps

- SAT-specific content on organismal biology (plants, fungi, specific animal phyla, etc.)
- Vocabulary gaps in cell division and embryonic development

**For AP Biology students, the Biology Subject Test with Molecular Emphasis is usually the best option.

IB Biology (SL) Course

Strategy Gaps

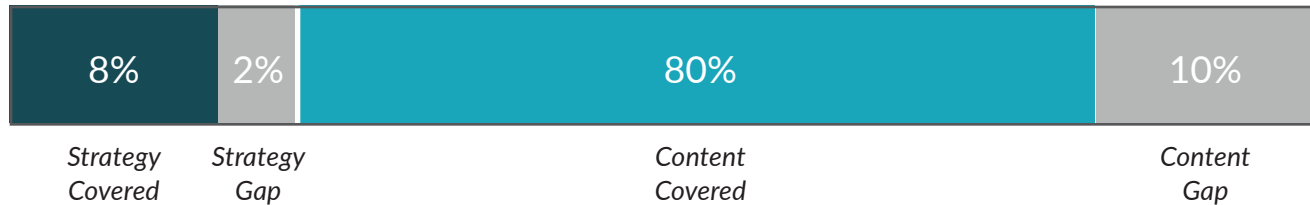

- Pacing
- Guessing penalty

Content Gaps

- Greater depth in all topics, especially those tested on Molecular Emphasis section
- Lab design

BIOLOGY MOLECULAR

IB Biology (HL) Course

Strategy Gaps

- Pacing
- Guessing penalty

Content Gaps

- Greater depth in Ecology questions
- Lab design
