

# SAT & ACT Recommended Reading List

Students who read regularly tend to have the easiest time with the Reading sections of the SAT and ACT. Reading a little every day can go a long way toward boosting your verbal skills by building your fluency, comprehension, and vocabulary.

The reading list below is a great place to start. Exploring the resources on this list, curated by the ArborBridge Instruction Team, will prepare you for the types of passages you'll encounter on the SAT and ACT Reading sections.

## Natural Science

Find and read scientific journal articles exploring a wide array of scientific fields, including biology, chemistry, Earth science, and physics.
